

TOOL // Reflections on My Day

What is it used for?

This quick checklist allows students to self-assess how they did with an occasional teacher. It provides good communication to the classroom teacher about the students' perspective.

How do you use it?

At the end of the day give each student a slip with the checklist on it to complete. Collect and leave for the teacher.

Reflections on My Day Name _____

<p>I followed our classroom rules.</p>	
<p>I listened and followed instructions.</p>	
<p>I completed all my work.</p>	
<p>I was respectful and cooperative.</p>	
<p>Something you should know</p>
