

## **TOOL // Box and Bubble Feedback Form**

### **What is it used for?**

The tool is used to provide students with feedback on their performance during French or on a French task.

### **How do you use it?**

The teacher has multiple copies of the half page feedback form on a clipboard. When meeting with a student or when returning an assessment the teacher fills in the sections: *Ce qu'il y a de bien dans ton travail (What was good in your work?, N'oublie pas... (Don't forget...)*. With the student the last bubble that reflects the student's goal for next time is completed.

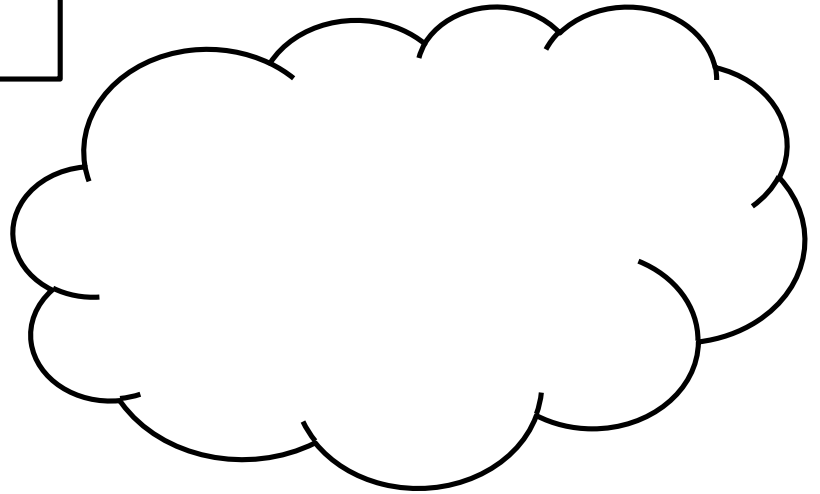

-Ce qu'il y a de bien dans ton travail (*What was good in your work ?*)

N'oublie pas.... (*Don't forget....*)
