

TOOL // Class Learning Profile

What is it used for?

The template is designed to capture and summarize important information regarding individual students.

How do you use it?

Over the course of time, as a result of different assessments the teacher can record key data about students to guide programming, to facilitate sharing of information with different stakeholders and to provide information to the next year's teacher.

Student	Learning Profile	Strengths	Areas of Need	Instructional Strategies & Interventions	Evidence of Improvement	Other Relevant Information

Notes: _____
