

TOOL // Grade 1 Feedback Form

What is the tool?

Feedback Form

What is it used for?

The form provides an ongoing record of feedback given to the students and their ability to articulate their own learning.

How do you use it?

This form can be used for any type of feedback whether self, peer or teacher. The persons offering the feedback circles the symbol that represents them at the top. They then use the success criteria for whatever the task is to offer a star and a next step.
